Packaging

The high-precision brush and applicator specialist GEKA is presenting its makeup collection CONTEMPORARY at MakeUp in Paris on May 29-30

As elegant as dancers, as precise as ballet shoe tips. The brand-new applicators and brushes of GEKA's new product collection are guaranteeing a dream-like look.

The WOW-effect: All packaging are made of formulation compliant PCR-PP and decorated with the sustainable decoration technique Shadow Printing 2.0. The most sustainable combination for sustainable cosmetic packaging solutions.

Discover the new stars of GEKA's portfolio and test it at **GEKA Booth J20 at MakeUp in Paris 2024**.
